PARENTS' WEEKLY BULLETIN

'I will instruct you in the way you should go; I will counsel you with my loving eye on you.' Psalm 32:8

Week beginning Monday 12th April 2021

Welcome back to the summer term. We hope you had a wonderful break over Easter and managed to enjoy plenty of chocolate eggs. We are really excited about the term ahead and look forward to sharing with you all the fabulous learning the children will be doing.

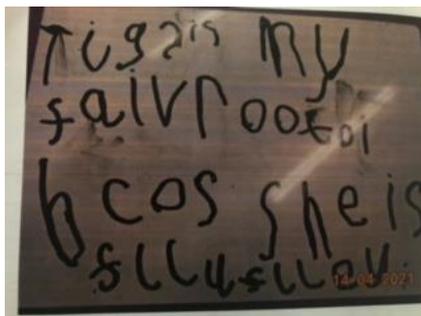

The Juniors have launched their summer theme 'Going for Gold' and will be learning all about ancient Greece during this theme. The children have already found out about different Greek Gods and Goddesses and have presented their research to the rest of the class. On Tuesday we held a Greek God Top Trumps Tournament in the playground. The children will be experts by the end of the term (they will be my 'phone a friend')!

In Art this week, after learning about the history of Greek pots we put together broken pieces of an ancient pot before decorating it in traditional colours.

The Infants have been super detectives this week as they explored the outside area looking for signs of Spring life. They were excited to find buds and bugs and much more. Like the true scientists they are, they recorded all their findings. They have launched their theme, 'What's inside the toybox?'.

Finley has impressed us with his writing this week describing his favourite toy called Tiggs and Elijah wowed us with some independent writing during CHIP (child initiated play).

STARS OF THE WEEK

Infants: Harvey for excellent contributions to our discussion on toys; Ellie for excellent concentration.

Juniors: Bea for her ability to get on with all tasks given to her, take valuable notes to enhance her writing and provide support to others willingly. Thank you Bea.

COLLECTIVE WORSHIP

This week we explored the theme 'Faith' and consider the feelings of belief and doubt. Next week we think about 'Fear'.

A MESSAGE FROM THE CHURCH

There is a family service at church this Sunday 18th at 9.30am.

All are welcome, it would be great to see some new faces and just to get out and be sociable and help to lift our moods and our spirits and build up people's confidence.

Many thanks,

Jo

YEAR 6s

We are very aware this has not been a typical year for our children but particularly for our lovely Year 6s. We want to make sure we give them a very special send off as they head off to secondary school at the end of the term. The staff are planning to put on an end of year production and we very much hope to invite parents to attend. We will let you know the dates for this ASAP.
